#### **E. J. E. C. E. F. W. H. E. E. J. F. C. H. A. E. A. D. A. T. E.**

As at the Latest Practicable Date, the issued share capital of the Company comprised 4,000,000,000 Ordinary Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Directors will be allowed to repurchase a maximum of 400,000,000 Shares which represent 10% of the issued share capital of the Company at the Annual General Meeting during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the date on which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

#### **E. A. F. E. J. F. C. H. A. E.**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

#### **F. J. D. G. F. E. J. F. C. H. A. E.**

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules, the Companies Law and any other applicable laws. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company, the share premium account of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either or both the profit of the Company or the share premium account of the Company before or at the time the Company's Shares are repurchased, or in the manner provided for in the Companies Law.

#### **I. J. A. C. F. H. A. E. E. J. F. C. H. A. E.**

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, there may be an adverse impact on the working capital or the gearing position of the Company, as compared with the position disclosed in the audited consolidated financial statements of the Company as at 31 December 2018, being the date on which the latest published audited consolidated financial

statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## GE E A

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their close associates currently intends to sell any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company and Articles of Association of the Company and the applicable laws of Hong Kong and the Cayman Islands, including the Companies Law.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Repurchase Mandate is approved by the Shareholders.

## W A E E C D E A D B C F A

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Qu Naijie, Mr. Qu Cheng and persons acting in concert with them were interested in 1,824,409,587 Shares, of which 1,684,092,524 Shares were the indirect trust properties of the Qu's Family Trust (Mr. Qu Naijie and Mr. Qu Cheng were the protector and a beneficiary of the Qu's Family Trust, respectively), 127,756,000 Shares were held by a company wholly owned by Mr. Qu Naijie and 12,561,063 Shares were beneficially owned by Mr. Qu Cheng, representing approximately 45.6 per cent of the existing issued share capital of the Company. In the event that the Directors exercised in full the Repurchase Mandate, the shareholding of the Company of Qu Naijie, Mr. Qu Cheng and persons acting in concert with them will be increased to approximately 50.7 per cent of the issued share capital of the Company. In the opinion of the Directors, such increase will give rise to an obligation to make a ma'an(in)-362.249.5(wilma)-36.8(with)-362.s, 2

Save for the aforesaid, the Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

In addition, in exercising the Repurchase Mandate (whether in full or otherwise), the Directors will ensure that the Company shall comply with the requirements of the Listing Rules, including the minimum percentage of Shares being held in public hands.
